ACCESSORIES

ELENA CARDINALI

www.elenacardinali.com

"My collection plays on customisation. Adjustable is a shoe that can be transformed in height and for every occasion, adapting itself to the mood of the woman who wears it and who chooses the right accessory every time. I was inspired by a woman who spends her time out and about, a woman who goes out early in the morning and doesn't want to give up her femininity even in the evening."
